1- Reading Comprehension

20

Read the following passage then answer the questions below:

Salim is a boy in grade five. His favorite hobby is collecting coins. One day Salim and his family went to see his grandmother in the country. Salim didn't want to go there because he thought it was going to be boring. In the country, he was happy to see his grandmother. He stayed there for three days.

His grandmother told him lots of exciting stories about the past. She told him how they cooked over fires and how they traveled from one place to another by horses and camels. When Salim wanted to go home, his grandmother gave him a gift. She gave him a collection of old stamps.

10
